## 1. ORGANIZER`S SPEECH

### Welcome in the Rally “Sarma”!

Undeniably, Rally Sarma is one of the most anticipated and most popular Rallies - not only as a winter rally, but among all Rallies in the Baltic region. The new one-day format introduced in 2017 perfectly justified their expectations and received very positive feedback. Therefore, the Rally Sarma 2018 will maintain a one-day racing format - the best and most enthusiastic Rally drivers and Rally fans will meet for the 43rd time on February 10, 2018, on Gulbene.

To date, predict what the winter will be like is prematurely, and any promises that are equivalent to the political promises of economic development, but the winter has deceived Sarma`s Rally only once over forty years, and hopefully the last time too. Therefore, it's only to be hoped and believed that snow and ice will be enough to fully

enjoy the dynamics of the winter Rally and maybe even see the natural phenomenon from which the name of the Rally has been taken.

Classification crews will have to make in the Rally Sarma 2018 nine Special Stages with total length 120 km. After a break of more than ten years, it will include several classic Rally Sarma Special Stages, but there will be any surprises too - one Special Stage will be completely new. In addition, as early as every year, there will be night Special Stages too - with two such Stages the Rally Sarma 2018 will end.

As every year, parallel with the Rally classification, Rallysprint crews will compete in a shorter route, as well as Historic Rally cars and their great crews. Directly the History rally drivers was able in the last Rally Sarma to attract the attention of the spectators and prove that in parallel with the general classification, there are a number of exciting and truly visible battles for victory.

For more information on accommodation, look for the Gulbene region tourism information website at [www.visitgulbene.lv](http://www.visitgulbene.lv), but the full Rally documentation will be published as usual at [www.autorally.lv](http://www.autorally.lv).

## 2. GULBENE'S REGION COUNCIL MAYOR'S SPEECH

### Welcome Rally „Sarma 2018” participants and spectators!

The Latvian Rally Championship is unthinkable without the long-term winter race stage - the Rally "Sarma", which will take place in the Gulbene region's twisted and snowy roads already 43rd time.

The number of participants and fans who come to us annually is proof of the ability of event organizers to arrange exciting races.

We are really pleased to see in the list of entrants more and more often the names of our drivers who show

good results in different Rally classification groups. Carsport in the Gulbene region maintains and enhances the popularity of this sport.

Zest, speed and skills in motor racing are fixed values. And these three things make the race so exciting and adrenaline filled not only by the drivers themselves but also by the spectators.

Dear Rally enthusiasts! I wish you successful starts, a positive sense of competition and a pleasant rest!

Andris Vējiņš,  
*Gulbene's Region Council Mayor*
